DEFINITION OF TERMS:

Transient Merchant:	A "Transient Merchant" is any person, firm, corporation, partnership, association, or agents of any of them, transacting a temporary business where goods are exposed for wholesale or retail sale at any place in Hot Springs. A "temporary business" is a business operating more than six (6) months in one place by the same person.
Peddling from Vehicles:	No person shall sell or offer for sale any goods or merchandise from a cart, wagon, automobile, truck or other vehicle in the thoroughfares of Hot Springs, South Dakota. This section, however, does not apply to the delivery of farm or garden products where the order for the same has been placed in advance, neither does it apply to the delivery of goods sold in the regular course of an established business.
Exception:	The bonding and licensing of solicitors and peddlers shall not apply to salesmen doing business exclusively with retailers or merchants nor to the peddling or soliciting of orders for any agricultural product or article raise or manufactured by such peddler or solicitor in this State.
